PRESS RELEASE:

19th July, 2016

- Publish the names of bank loan defaulters
- Take stringent measures to recover bad loans
- Declare willful default as criminal offense
- Kick out bad loans before they kill our Banks

Bad loans in the Banks are increasing day by day.

As on 31 st March	Gross NPA Rs. In crores in PSBs
2002	54,673
2003	54,090
2004	51,537
2005	48,399
2006	41,358
2007	38,968
2008	39,030
2009	44,957
2010	59,927
2011	74,664
2012	1,17,000
2013	1,64,461
2014	2,16,739
2015	2,78,877
2016	5,39,995

But the Government and the RBI are not taking tough measures to recover the bad loans. Even their names are not being published. Loans are given from public money. Hence people should know who the loan defaulters are. When poor borrowers are harassed, corporate defaulters are given all concessions. The number of willful defaulters is also on the increase.

We demand that willful default should be terms as 'criminal offence' and criminal action should be taken against them for recovery of the loans. **Hence we are publishing the names of the willful defaulters of the Banks. Please visit our website for the list.**
