Bank of India Employees' Union (Bihar State) was registered in 1969 with the Registrar of Trade Unions as its Headquarters at Patna. Com. T.K. Guha from Jamshedpur was the first President and Com. T.N. Dubey from Patna was the first General Secretary.

In the process of democratic functioning of the union, there had been changes in the leadership from time to time. To name a few, Com. Ranjit Singh, Late Com. A.K. Sinha, Late Com. Robert Moss, held the post of General Secretaries. The present incumbent Com. Rameshwar Prasad was elected General Secretary in 1978 and since then he has been re-elected in the Conferences of the Union, the latest held in July, 2011.. Com. Dinesh Jha Lallan, present General Secretary of the Federation was also active in the union and held various positions He was elevated to the post of the President in the union's conference in 1993. The union and its leadership had worked under the guidance & guardianship of Com. Sushil Ghosh as its President for quite a long time, since 1975 to 1993.

With the expansion in the branch network of the Bank, particularly after Bank nationalisation, the membership of the union grew numerically. With passage of time Bihar, then united Bihar, came in focus of the nationalised Banks including Bank of India. The State was bifurcated in two parts Bihar & Jharkhand in 2000. As per decision of the AIBEA, a separate Union was registered for the State of Jharkhand in a joint conference held at Jamshedpur in 2002.

The Union is one of the strongest units of Federation of Bank of India Staff Unions, since the days of Late Com. Chitnis to the era of Com. Kelawala, Late Com. J.S. Bailur, Bihar Unit received due importance in the functioning of the Federation. The Unit was honoured in 2005 in its Federation Conference in Patna by electing Com. Rameshwar Prasad as Federation's General Secretary for one term from Dec., 2005 to Dec., 2009.

We attach the list of present office-bearers & Committee members, some of whom are associated with the Union since long and whose contributions are immense in keeping the Union united and spirited to stand for the welfare and protection of its members.
