

BANK OF INDIA EMPLOYEES UNION - SOLAPUR

Reg No. 1673

Bank of India Staff Union- Solapur, was registered and set up in Solapur on 2nd April 1963, with the blessings and guidance of stalwarts like late Com.Chitnis, Com.Purav and Com Paranjpe. In fact, Com.Paranjpe was also the President of the Unit for a few years.

Solapur Unit, started with a membership of just 150 covering 13 branches in Solapur District, but though we were one of the smallest Units, we had the reputation of being one of the most militant unit. From these humble beginnings, we have today grown, and our membership now stands at 446 covering 83 branches and 7 Districts of Maharashtra. In the year 1985 the Unit was re- registered as Bank of India Employees Union.

Our Unit has always been in the forefront of Bank Employees movemnet of Solapur, providing leadership to Solapur Bank Employees Union and subsequently also providing leadership and organising activities of United Forum in Solapur. Our Unit has also always taken a lead in promoting and encouraging sports and cultural activities among our staff and among the staff of all Banks in Solapur. We have regularly organised Inter Bank and Inter Financial institution tournaments in sports like Cricket, Table Tennis, Badminton and Variety Entertainment competitions..

In the year 2001, when Banks administrative setup was reorganised and Zones were formed, Bank had decided to merge Solapur Region in Pune Zone, the process of shifting files etc to Pune, had already begun, but due to stiff opposition to this move by our Unit and with the support and efforts of our Federation, Bank had to reverse its decision, and Solapur Region was converted into Solapur Zone and a few more Districts were added to it.

Solapur Gramin Bank (Regional Rural Bank) sponsored by Bank of India, was established in the early eighties, and we played a major role in forming a Union over there and provided and still provide leadership and guidance to them.

In the late nineties, a group of disgrunted elements broke away and formed NCBE Unit in Solapur, but soon many realised their mistake and once again joined us and finally the whole Unit was disbanded and everyone came back to us and now we have 100% membership in Solapur.

Our Unit has consistently focussed on the problems of Sub Staff and highlited their problems at various forums of the Union and Management, and we have achieved a great deal of success in redressing their problems. In the recent drive of recruitment of Casual employees, we have successfully managed to recruit all 41 from among our panel of Casual employees.

We thank our Federation leadership, for their constant support and guidance and with their co-operation, we hope to scale greater hights in future.
